Collections

TMC

LORCA – sturdy and versatile with appealing contours

The Lorca Collection fits equally well in contemporary spaces and traditional settings. Playful, colorful glides provide a pop of color.

PLOVER – strong form and organic curves

The Plover Collection's iconic bent plywood legs add a classic touch to any setting.

Collections

FLICK – appealingly modern lines

The steel rod sled base of the Flick Collection supports a sleek, molded plywood shell.

The Flick Collection offers three different chair back options as well as custom designed perimeters.

KESTREL – sturdy, classic

The Kestrel Collection blends the best of traditional wood with contemporary styling.

Tapered solid wood legs with concealed steel tube understructure (in chairs) provide an elegant look.

Walton

If you prefer the traditional wood chair, J. P. Jay has you covered. These timeless chairs are always in style and can even be stained in fun colors. Many styles are available with upholstered seats and/or backs and the backs of some chairs can even be laser engraved.

Creative children's chairs with fun back designs. Back come in five leaf designs (Poplar, Clover, Ginkgo, or Currant) and five animal designs (Dog, Cat, Bird, Teddy Bear or Butterfly). Seat heights are available at 10", 12" or 14" high. Chair is standard in Natural Beech, but 6 color options are offered for a nominal upcharge.

Fun shapes and the ability to stack for easy storage. Seat height is available at 12" or 14". Five back shape options to choose from: Triangle, Circle, Square, Octagon or Square with handle grasp. Natural Beech standard, but 6 color options are offered for a nominal upcharge.

Tables

SMITH SYSTEM

Planner

Smith System's Planner tables offer maximum strength, versatility and stability. With various top shapes available these tables can fulfill any need. Tables are adjustable from 24" to 34" in height.

Malibu

Mediatechnologies Wok + Box Island tables are a superb activity table and provides storage for your arts and crafts supplies, Lego blocks or anything else you may need.

Available in 4 shapes with different cabinet configurations (drawers, doors or open shelves), you can create the unit that best suits your needs.

Jefferson

Community's Jefferson and Lincoln tables come in three top shapes with several edge styles. Tops can be veneer or laminate. Tables are available with either tapered or square wood legs.

Lincoln

TMC's Leaf table perfectly captures the shape of a falling leaf. Two laminate colors provide the sides of the leaf and a change from a monochromatic laminate surface. Lorca, Plover, Zenon, Kestrel and Flick leg options available.

*Pictured with Plover Lilypad Stools.

TMC's Flower Table features the shape of a blossoming flower. Two laminate colors provide the center of the flower and the surrounding petals. Lorca, Plover, Zenon, Kestrel and Flick leg options available.

*Pictured with Plover Lilypad Stools.

TMC's Chess table is an attractive and practical addition to any library, Available at 20" square with tapered Kestrel wood leg.

Specialty Tables

TMC's Alphabet table is available with a dry erase marker option. The youngsters can practice letter recognition, form words and explore colors.

TMC's Whiteboard child table is a mobile whiteboard table perfect for children to draw, write stories or collaborate. Easy to move and lock in place.

TMC's Ring Around the Table features curved benches and is a great place for children to gather or parents to sit with their kids.

Specialty Tables

TMC's Sloped Picture Book table offers an inviting reading station for the youngest patrons. Cut-out designs selected from TMC's portfolio add extra interest. Couple with benches or stools for the perfect place for resting a book or doing a puzzle.

MUZO

Muzo's Mini Mobile writeable table is a bright, exciting option. The use of vibrant colors and the ability to doodle and scribble encourage thinking and imagination.

Muzo's Super Low Versatilis allows you to meet your youngest patrons at their level. With over 20 table top shapes and a 15 inch height, this table can be configured into a number of layouts to fit the requirements of that day.

3Branch's Discovery activity tables offer a myriad of possibility for play. With modular components and a variety of configurations, this table can be tailored to meet the needs of an environment.

- Table features reversible activity tops which include Lego, Tinker Toy, train tracks and a flat, smooth surface.
- LED lightbox option provides another unique play surface.
- Large, locking storage drawers and accessible side storage bins to house your activities.
- Optional caster base available.

*Also available in a mini version for facilities with limited space.

Play from the top activity tables are all the fun with none of the mess! Fully enclosed with shatterproof safety glass and solid, rich maple woods with child-friendly stains. Cleans easily with disinfectant wipes.

Colorful design and easy-to-move magnets let the children create funny faces, move cars around or other fun activities. Includes four magnetic wands.

Available in two height: 18" and 22" with the following activities.

- Funny Face
- Road Trip
- Bees & Flowers
- Language
- Healthy Race

*Also available round

Small Cube Activity Table

Parent+Child Carrel
 This carrel by TMC offers a convenient spot for parents to work while their toddlers are next to them in a safe and stimulating LearnPLAY environment.

Learning Panels

The carrel's workstation side has a tall panel offering privacy for the seated parent, while the mid-panel is low, providing sight lines into the child's play area. The work surface includes a grommet and wire management features.

The child side features a peek-a-boo gate with child-safe holes and a 3" thick soft mat covered in healthcare-grade vinyl. Three learning panels (flat or sliding style) and one child-safe mirror is included. A latch keeps the child safely enclosed.

Unit is available as single or double-faced. Exterior side panel may be specified plain or with an imprinted pattern.
