Group study areas are becoming more and more popular in today's libraries. Whether in rooms constructed of movable walls or just a designated area in the library, we find these areas are the first to be filled up. So much so some libraries are requiring sign up sheets like those used for meeting rooms.

Compact Shelving

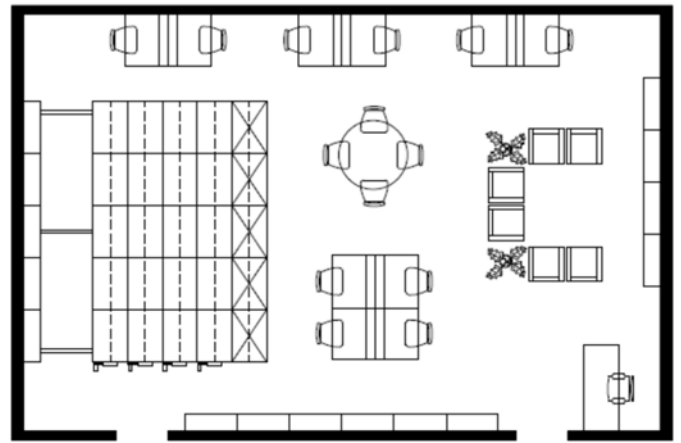

High density compact shelving is a necessity in any library where floor space is a problem. The use of high density compact shelving can more than double shelf space when compared to freestanding shelving.

Conventional Library

65 Faces of Bookstack Seating for 10
 455 Shelves 1 Reference Desk
 6,825 Volumes

Compact Shelving

75 Faces of Bookstack Seating for 14
 525 Shelves 6 Lounge Chairs
 7,875 Volumes 1 Reference Desk

Notes:

A blank sheet of white paper with horizontal blue lines for writing. A vertical red line is positioned on the left side, creating a margin. The paper is otherwise empty.
